SGRD-HR

Mr. Bob Monroe Monroe Institute of Applied Sciences P. O. Box 175 Faber, Virginia 22938

Dear Mr. Monroe:

First, I would like to thank you for the timely response I received from Nancy Honeycutt last October. Her material satisfied my initial inquiry for your Gateway Schedule in regards to meals, sleep periods, and schedule of tapes.

Is it now possible for you to arrange for me to have a one-day visit at your installation sometime during the week of 5 to 9 March 1984? I would appreciate receiving a general knowledge of your program and its application to present and future U. S. Army programs.

For your convenience, my direct dial number on FTS is 935-2165. The local long distance number is (301) 663-2165.

Sincerely,

ROGER A. BENNETT Lieutenant Colonel Medical Service Corps
